

## Domwe Island Adventure

Six nights ex Johannesburg

*Unleash your Inner Islander on wild and magnificent Domwe Island!*

**P**ack the bare minimum in a kayak and paddle off to a deserted tropical island.

Self-catered and self-guided, a visit to Domwe Island is ideal for active and nature-loving guests looking to rediscover the simple life of times gone by.

The camp on Domwe Island is basic but exclusive. It is built using only reeds, timber, thatch and canvas, with the emphasis on the beauty provided by Mother Nature. The camp lies behind a small beach on the west side of the island, offering sunset views over the lake with Mumbo Island and the mountainous edge of the African Rift Valley in the distance. Domwe Island is run on a self-catered basis with guests making use of the camp kitchen to

prepare their own meals. The kitchen is fully-equipped with stove, fridge, pots and pans, crockery and cutlery, and is kept shipshape by three full-time staff members. All you need to bring is food.

Before heading out to Domwe Island, the first night is spent at Mgoza Lodge on the beach at Cape Maclear. At Mgoza the emphasis is on chilling. You can stay right here and enjoy a beer and meal in the open-air restaurant, or you can wander along the Cape Maclear beach strip checking out the myriad curio stalls, bars and restaurants. Also a great opportunity to stock up on local produce for your island adventure.
