

Mumbo Island Castaway

Six nights ex Johannesburg

Indulge your Castaway Fantasy from the luxury of a private Island Camp!

Key Features

A previous guest had this to say...."Over the years we have been to Bon Bon Island off Gabon, the Seychelles, Bazaruto in Mozambique, Mauritius, Maldives, and many others. Not one of them comes close to Mumbo Island - it's insane beauty wherever you look. And what the photos don't tell you is how cool the people treat you - not too in your face or fussy, just there to look after you whenever you need it." On Mumbo Island barefoot luxury is the theme – there is everything you need and nothing that you don't. The camp is built using only reeds, timber, thatch and canvas and the emphasis is on the

beauty provided by Mother Nature. The rooms are perched on high rocks overlooking the water and blend in with the African bush to create a 'Robinson Crusoe' atmosphere of rustic charm. Mumbo Island is ideal for couples, families, or groups of friends. For the sporty there is sea kayaking, snorkelling, swimming, SCUBA diving or walks through the stunning island forest. Or simply flop into a shady hammock and just "time-out". You decide... On the island your time is your own - let the gentle rhythms of lake and island restore your sense of peace.

- ♥ Mumbo Island is a beautiful and unique tropical island. It has never been inhabited and its nature is pristine.
- ♥ The island lies within an exclusive concession area and the camp hosts just 14 guests, guaranteeing privacy in paradise. The camp style is barefoot luxury, letting nature provide the Wow!
- ♥ The waters of Lake Malawi are fresh, 100% clean and teeming with tropical fish - possibly the best swimming in the world!
