

Kayak Africa's Cape Cottage

Cape Cottage is Kayak Africa's own beachfront accommodation in the village of Cape Maclear.

It is a beautifully built reed and brick thatched cabana right on the beach within Kayak Africa's reception compound.

The cottage is open plan and features a queen-size bed and a double bunk: ideal for a couple or a family of four.

There is a fully-equipped kitchenette and a bathroom en suite with a shower and toilet.

On the front deck is a dining table and chairs overlooking the lake; perfect for al fresco dinners. A converted wooden boat projects from the deck to form an ideal sundowner or stargazing spot.

Many local restaurants and bars are within walking distance, otherwise you can self-cater, or hire a chef from us and have your meals on your deck.

However you choose to do it, this is lakeshore accommodation at its best!
